Field Trip Permission Slip

Trip: Coral Bay Science Center (example) · Date: Friday · Departure 9:30 AM · Return 2:00 PM

I give permission for my child to attend the field trip described above, travelling with center staff in a licensed vehicle. I understand that staff-to-child ratios required by the state will be maintained for the whole trip and that a copy of my child's emergency card and any medication authorization will travel with the group.

I confirm that the emergency contact and allergy information on file with the center is current. If my child needs medical attention during the trip, staff may contact emergency services and then me.

This document is a fictional sample used in the ComplianceKit public demo. It is not a real form and no real people are named in it.

☐ I have read and agree to the permission statement above.
